

# ICC Region 2 2023

First of all I would like to personally thank those who have given me the opportunity to serve as your president of Region 2. I would also like to thank all those who were in attendance at the annual ICC ABM, and those who came to our mixer in St. Louis. I feel the mixer would not of been possible without the efforts of Vice President Ted Zuk and his team and our course our great sponcers.

After such a great start it important to keep that momentim going . One of my first priorities will be to add enthusiastic members to the following committies: Bylaws and Policy, Budget, Code development, Education, Military Families and Outreach and Membership. I would like to make sure that we continue with the quarterly education segments ‘during our meetings. Last but not the least, remember, “In matters of style, swim with the current; in matters of principle, stand still like the rock.”
