

Region II Education Committee

1.0 Purpose of Region II Policy: This policy establishes the Region II Education Committee.

2.0 Name of Committee: Education Committee

3.0 Mission: The mission of the Education Committee is to work with local state chapters within the region to deliver code-related courses that meet the needs of code officials, inspectors, permit techs, and design professionals, in order to elevate their qualifications as well as help them advance and grow in their profession.

4.0 Purpose of Committee: The Education Committee shall meet and advise state chapters within the boundaries of Region II of the opportunity to partner with Region II through the use of the regions chapter education benefit for a one-day training.

Procedures and Rules:

4.1 The education committee shall collect a list of available training opportunities in the region and decide the best use of the education benefit and negotiate the terms with the host chapter.

4.2 By accepting the education benefit the host chapter will share the proceeds collected from the training with Region II. An agreed upon percentage of proceeds collected shall be negotiated between Region II and the host chapter and subsequently approved by the Region II Board.

4.3 An agreement form shall be signed by both parties prior to the issuance of the education benefit.
